LESSON
3RD HOUR - ASYNC.
LESSON
4TH HOUR - ASYNC.
LESSON
5TH HOUR - LIVE MEETING
6TH HOUR - LIVE MEETING
7TH HOUR - LIVE MEETING

WHAT TO EXPECT FROM A MIDDLE SCHOOL MONDAY

Students will log on to Schoology and access the link to take them to their LIVE class meeting in Microsoft Teams each hour. During that class, teachers will take attendance, provide lessons and answer questions, just like a 'normal' class period. Students will receive assignments in Schoology. Students will follow their grade level's bell schedule for the times for each class and lunch.

WHAT TO EXPECT FROM A BLUE/GOLD DAY

Students will log on for their "Live" meetings in Teams - these are required for attendance, following the bell schedule. The other half of the day is asynchronous. "Asynchronous" means "on demand" or "not in person". Students can choose to complete their work independently or get support during asynchronous time, but this work is still **required**. Teachers are available in a Teams meeting during that class period.
