**WHAT TO EXPECT FROM A BLUE/WHITE DAY:**

In-person students will attend all morning classes in-person. Virtual Students will log on to Schoology and access the link to take them to their LIVE class meeting in Microsoft Teams each hour. During that class, teachers will take attendance, provide lessons and answer questions, just like a 'normal' class period. Virtual students will receive assignments in Schoology. All students can meet with their teachers virtually during scheduled times in the afternoon to receive academic support.

**WHAT TO EXPECT FROM A TITAN DAY:**

**All students are required to attend their scheduled classes in the morning.** During the afternoon support hours, all students may meet with their teachers virtually for academic and social-emotional support. Students may meet with their teacher anytime during the afternoon session.
